## **Community Information Evening**

On Wednesday 30th November 2011  
@ 7.30pm in

Applewood Community Centre (beside  
Gaelscoil Bhrian Bóroimhe & Swords  
Educate Together School).

The community information evening is intended to give an overview of the Applewood Community Centre and will give the community of Applewood an opportunity to nominate community representatives to the Shared Facility Executive (SFE) which is the board of directors that oversees the day to day management of the Community Facility.

The SFE will process the nominations and elect two individuals from all of the nominations received on the night.

The criteria for community representation on the SFE are as follows:

1. Nominees should reside in the Applewood area or be working for an organization which works for the good of the area.
2. The nominee should have some experience and understanding of the role of the board of directors.
3. Nominees should be part of a group working for the benefit of the Applewood community. This group must operate through a constitution or a set of rules (making clear their non-profit making / charitable nature and their presence/role in the Swords area).
4. Nominees must be available to attend the Shared Facility Executive committee meetings every 4 - 6 weeks.

Expression of interest forms will also be available on the night for groups / individuals who would like to use the centre.
