HEDGE/TREE CUTTING

The Operations Department of Fingal County Council wishes to inform the public that Section 70 of the 1993 Roads Act obliges landowners and occupiers of land to take all reasonable care to ensure that structures, trees, hedges and other vegetation on their lands are not or could not become a danger to people using or working on a public road, including footpaths in housing estates.

Landowners and householders are requested to have overgrown trees and hedging on their properties cut back in the interest of public safety.

Overgrown hedges should be cut back before 1st March 2012.

Failure to fulfil the above obligations may result in the service of a Notice on the owner or occupier by the Local Authority which can result in fines.

Enquiries in relation to this matter can be made to the Operations Department at 01 -890 5000 or email to roads@fingalcoco.ie
