Cleaner Communities - Help make Fingal a Cleaner, Greener Place to Live

Fingal County Council is delighted to announce the launch of the Cleaner Communities Awards for 2011. Fingal Cleaner Communities is a countywide competition aiming to make our county a cleaner, greener place to live. The Awards reward residents, community groups and businesses for their efforts in maintaining a litter-free and well presented community or place of business.

“We are now inviting entries to the Cleaner Communities Awards for 2011 and we would particularly welcome further new entries to the competition.” says Edwina Dunford, Environmental Education Officer, Fingal County Council. “We especially encourage local businesses to enter. We have a broad range of categories, so you can enter your home, your business, your housing estate or indeed even just part of your estate,” continued Edwina.

“The competition has been a great success since it started over thirty years ago and we want to make 2011 an even better competition,” says Edwina. “This is your chance to get credit for all the hard work carried out during the year, so I’d encourage all Fingallians to enter. If you’re not in you can’t win!!”
