Garda Deliver Kids Rugby in Dublin 15

Only two months since Damien Maher (Garda RFC, Westmanstown) contacted Fingal's Leinster Rugby Development Officer, Ger Mc Cleery, for assistance in launching an under age section an U11 Garda team took the field against Skerries RFC. This match was the curtain raiser to a Leinster League match between the two clubs senior men's sides.

'We would like to thank Skerries for travelling as the match gives us a great opportunity to highlight locally that we are active and supporting youth rugby in the area. We anticipate fielding at Under 9s as early as next weekend' said Damien the driving force behind the initiative. As a bonus for the youngsters the Heineken Cup was available for photographs; so if you're interested in getting your child involved in rugby get down to Westmanstown every Sunday morning at 11.00a.m

If you require more information contact Garda RFC Treasurer Damien Maher on 086-245-8824 or Fingal/Leinster Rugby Development Officer Ger Mc Cleery 086-242-2829 ger.mccleery@leinsterrugby.ie
