

**PRESS RELEASE – Getting Into 6 Nations Spirit - Balbriggan R.F.C. Host 7's Blitz
4th February 2011**

On February 2nd Balbriggan RFC played host to the Fingal County 7's Secondary School Blitz for first and second year players. Six schools were involved in the event with Ardgillan College (Skerries), Castleknock College (Dublin 15) and Malahide Community College all participating from Fingal.

All the schools present are currently playing rugby at Leinster Development Cup level or have aspirations to reach that level.

The day was made a great success with approximately 128 players taking part with the overall aim of developing the players and schools that struggle to field 15 aside teams at that age group, but have players that need to be catered for.

The local club community rugby officers were on hand to help out with the running of the tournament and did a great job refereeing on the day also. Leinster Rugby and Fingal County Council will be running another blitz in March, should your school wish to enter please contact:

Community Rugby Officer Christian Stemmet on 087-9118642 or email
