Regulations, 2001 (SI600/2001), Part 8, as amended**

Pursuant to the requirements of the above, notice is hereby given of the proposal by Fingal County Council to construct a pump sump, building and associated pipeworks within the Rush Road Pumping Station site.

The proposal is to construct a pumping sump to pump wastewater from the entire of Skerries town (excluding Kelly's Bay catchment) and Loughshinny village to the existing Waste Water Treatment Plant in Barnageeragh. The work will include the installation of a wet well sump, a valve chamber, a building to house an ESB substation, control panels, standby generator and generator fuel, a rising main, interconnecting pipeworks and associated manholes.

The plans are available for inspection at Fingal County Hall, Main Street, Swords during the hours: 9:00 a.m. – 4:30 p.m. Monday to Friday and Skerries Library, Strand Street, Skerries during the hours:

Monday & Wednesday: 10.00am - 1.00pm, 2.00pm - 5.00pm

Tuesday & Thursday: 2.00pm - 8.30pm

Open alternate Fridays and Saturdays 10.00am - 1.00pm,  
2.00pm - 5.00pm

The plans will be available for inspection for a period of four weeks from 20th of September 2011.

Submissions or observations with respect to this proposal dealing with the proper planning and development of the area may be made in writing to Fingal County Council before the 01st of November 2011
