

Application For Domestic Water and Waste Water Services

To: Fingal County Council
Water Services Department,
1st Floor, Grove Road,
Blanchardstown,
Dublin 15

Tel: (01) 8906212 / 8906214

Office Use Only

F/W ___/___
F/S ___/___

1. Applicants Details

Applicant's Name (in block letters): _____

Company Name (in block letters): _____

Address For Correspondence: _____

Email Address: _____

Telephone No: _____

Fax No: _____

Date of Application: / /

2. Service Required

Please tick as applicable

Water

Waste Water

(including sewer and surface water)

3. Location of Premises

- For both water and wastewater services, a location map identifying accurately the site or sites in respect of which connections are required must accompany the application together with schematic design layout and as constructed drawings.
- In the case of larger developments a road numbering/naming plan (showing any alterations in original site numbers) is required together with a water-main/ services layout.

Note: Applications will not be processed without schematic design layouts and as constructed drawings. As constructed drawings in accordance with the Councils Guidelines for the Laying of Watermains must be supplied when construction is completed.

4. Planning Permission

Details of any permission/s obtained under Local Government (Planning and Development) Acts 2000-2007 as amended must be given below, together with details of any Building Bye-Law approval OR reference number of commencement notice under Building Control Regulations 1991 and in an instance attention is drawn to the requirements of the Building Regulations 1991. (Further information, if required, may be obtained from the County Council's Planning Department, County Hall, Swords, Co. Dublin, Ph: 8905670)

Register Reference No:

Date: / /

Planning Permission No: _____

Dated: / /

Development Levy Payments Made to Date: € _____

Receipt No./ Nos.: _____

5. Purpose of Supply

Please state the purpose for which supply is required

Please provide details of equipment to which water connections will be made e.g. firehose reels, firemains etc

6. Connection Options and Charges

If you require water connections greater than ½" diameter, please state the number and size of connection required together with a justification for the increased diameter requirement:

Please calculate the total connection charge using the following formula together with the connection charge table below

# of Connections		x	Connection Charge (€)	=	Total Connection Charge (€)
½ inch	<input type="text"/>	x	<input type="text" value="€270"/>	=	<input type="text"/>
Other	<input type="text"/>	x	<input type="text"/>	=	<input type="text"/>

7. Waste Water Connection Option and Charges

Please state the number of waste connections to the mains required:

Size of pipe		x	Connection Charge (€)	=	Total Connection Charge (€)
	<input type="text"/>	x	<input type="text"/>	=	<input type="text"/>

NOTE 1: All connections to public sewer must be made by the Council at the applicant's expense

NOTE 2: In the event that you are not applying for a waste water connection please set out details as to how you propose to deal with waste water from your development

8. Applicants Undertaking

I/ We confirm that to the best of my knowledge the information provided in this application to be correct

Signature of Applicant: _____

Date: / /

Please note that Fingal County Council reserves the right to make the final connection to the water/ waste water network. Illegally connecting to the water/ wastewater network is in breach of the Water Services Act 2007 and is a criminal offence.

Important Notes:

Water supply to any premises is not to be turned on except by the Council after approval has been issued by the Council for the making of the connection.

If any portion of the public road, footpath or grass margin is to be opened, a Road Opening Licence must be obtained from the Council's Transportation Department, Grove Road, Blanchardstown, Dublin 15. TEL 8905869

A branch connection will not be given until the proposed watermains are laid and tested to the satisfaction of Fingal County Council.

All premises must have 24 hour / one days capacity water storage

The applicant or his/her employees shall exercise caution when excavation near the Council water mains and any excavation close to the main to be carried out by hand. THE APPLICANT WILL BE HELD RESPONSIBLE FOR ANY DAMAGE TO THE MAIN AS A RESULT OF HIS/HER OWN OR EMPLOYEE'S NEGLIGENCE.
