A public consultation process has commenced on the proposed provision of a combined all-weather Running Track and Sports Pitch located at Porterstown Park in Dublin 15.

If approved, the proposal will result in the development of a major new active recreational facility available for use by a large number of clubs, schools and community groups in the wider Blanchardstown area.

The project includes the first-ever public floodlit all-weather athletics track provided by Fingal County Council designed to meet daytime and evening training requirements for a wide range of sporting codes.
The 3rd Generation floodlit sports pitch will be available for training and competition purposes. The Council looks forward to continuing constructive engagement with local sports clubs in relation to these exciting proposals.

Director of Planning and Strategic Infrastructure AnnMarie Farrelly said “This continues the council’s commitment to deliver state-of-the-art facilities in the Dublin 15 area. It is really important that the local residents can see facilities being delivered to their communities.”

“The public consultation allows the public to raise any issues they may have with the proposal, which the council always takes into consideration.”

Plans & particulars of the proposed development are available for inspection from Tuesday 5th February to Wednesday 6th March 2019 at:

Fingal County Council Offices, County Hall, Swords, Co. Dublin and the County Council, Civic Offices, Grove Road, Blanchardstown.
