Publication of tender for Playgrounds.

Fingal County Council is delighted to announce the publication of tender for the development of natural themed playgrounds in Quay Street, Balbriggan, Band Stand, Balbriggan, Skerries Town Park and a Play Trail in Lusk Recreational Hub.

Feedback from community consultation has formed a key part of the design brief to ensure the playgrounds reflect local needs.

The playgrounds will be developed as a destination facility for families. The design of the playgrounds will encourage children to take part in natural play and physical exercise.

The closing date for tenders is the 23rd of April.
