Temporary ‘Do Not Swim’ Notice lifted at Claremont Beach, Howth

Fingal County Council has lifted the Temporary ‘Do Not Swim’ Notice which was erected at Claremont Beach, Howth on Tuesday due to suspected impacts from animals/birds and contamination of urban surface waters discharging into the bathing water.

Further testing took place on July 10th, and the results of laboratory analysis were excellent.

Members of the public intending to enter the water at any beach in Ireland are advised to check the water quality in advance by accessing the EPA website at www.beaches.ie or by checking the notice board at the entrance to each beach.
