Thousands attend 2016 Flavours of Fingal

Over 20,000 people attended this weekend's Flavours of Fingal in Newbridge House, Donabate, despite the inclement weather on Sunday.

This was fifth year of this unique family event at the historic Newbridge House and featured a traditional agricultural show along with a food festival and various other events including Sunday's Republic of Ireland v France EURO 2016 game which was shown on three giant screens.

The Mayor of Fingal, Cllr Darragh Butler, said: "I would like to congratulate Fingal Farmers and Fingal County Council on putting together a tremendous event. Newbridge House is the perfect venue for an event of this type and it was great to see so many families from across Fingal, from Dublin and beyond really enjoying themselves."

The Chief Executive of Fingal County Council, Paul Reid, said: "Flavours of Fingal is our flagship event each year and it keeps getting bigger and better. There was a great mix of events and things to do and I would like to pay tribute to everybody in who played a part in putting it together, especially the staff from Fingal County Council who did a tremendous job in planning and hosting this unique festival."
