Dear Joint Policing Committee Administrator,

For your information, we have issued the below invitation to a Briefing Webinar Session on the Local Community Safety Partnerships to all JPC chairs and requested they circulate the invite to all JPC members committee.

Kind regards,
Kayleigh

Dear Joint Policing Committee Member,

The Department of Justice is delighted to invite you to attend a Webinar Session on the **Local Community Safety Partnerships (LCSPs)**.

The Local Community Safety Partnerships will build on the important work done by Joint Policing Committees (JPCs) and will provide a forum for State agencies and local community representatives to work together to act on community concerns. Currently three pilot Local Community Safety Partnerships have been established in Longford, Waterford and Dublin North Inner City with an independent Chair and full-time Coordinator appointed to each pilot Partnership.

The Pilot Partnerships are subject to independent monitoring and evaluation which will inform best practice for the eventual national roll out of the Local Community Safety Partnerships, which are intended to replace JPCs.

The Webinar Sessions will include:

- A Presentation on the Department of Justice's Community Safety Policy, the LCSP Pilots and LCSP future national rollout
- A Question and Answers Session

Each session will take place over Zoom to ensure Joint Policing Committee members from all over the country have the opportunity to attend and participate.

Joint Policing Committee Members are invited to attend a webinar session on **one** of the below dates, content will be the same across both sessions. **Early registration is advised as capacity is limited.**

- **Friday 9th December, 10:30am**
- **Monday 12th December, 2:30pm**

Sessions will last approximately 75 minutes.

Please register through our registration page [here](#).

Kind regards,

Kayleigh
